I take it he hasn't responded to you either?

I sent him a note on the 28th up and haven't gotten a response back.

I have asked to have a meeting with Luis where I intend to bring this up. Let's see if that leads to anything.

Ricardo -

I wanted to follow up with you please on the email below. This matter is very urgent because I desperately need the parking, and my business is suffering as a result. I ask that you please do whatever you can to move the process forward as quickly as you can. If there is anything I can do to move the process forward, please let me know and I would be happy to do so. Thank you very much.

Ricardo –

How are you? I hope you are having a good weekend. I wanted to follow up with you please regarding the red curb on Westmoreland just north of Pico. Have you received the letter you needed from the LAPD? Is there ANYTHING I can do to help move the process forward? This lack of parking is severely hurting my business and causing customers to park further north in the residential areas. I appreciate anything you can please do to speed up this process and get the curb changed to 2-hour parking.

Thank you very much.
